

ROTARY TILLER

PROFESSIONAL SERIES

BENEFITS AND ADVANTAGES

- Double Spring Loaded Trailing Board for better stability and smooth seedbed
- Boron Steel wear resistant blades for easy penetration in all soil conditions
- Robust Tubular Parking Stand for easy storage or parking
- Adjustable Skid Shoes for working depth adjustment
- Duo Cone Mechanical Seals helps in efficient tillage both in dry & wet conditions

ROTARY TILLER PROFESSIONAL SERIES

Worldtrac Professional Series Rotary Tiller mingles best with tractor HP range between 30-50 HP. The rugged 3 point linkage along with hitch plates enhances the overall strength of the machine. This small beast comes with mechanical seals to work perfectly in wet soil conditions.
